

Attention all distributors!
You're invited... to the ING U.S. Q3 2010 earnings briefing.

We hope all ING Life Companies' distributors will join Butch Britton, CEO, ING U.S. Insurance, and Dan Mulheran, President, ING U.S. Life Distribution, for a unique web cast on November 11.

It's your opportunity to get executive insight from leaders in the ING U.S. and Life Insurance businesses.

Key topics to be discussed:

- Financial results for ING Groep, N.V. and ING U.S. Insurance for the third quarter of 2010.
- Update on ING separation and possible impact all the way down to the Life business
- "State of the union" for ING Life Distribution

Mark it on your calendar now, and set aside time to get the information you need to talk to your customers.
